# FortWorthHeatingCooling.com

## Asset Fact Sheet — Buyer-Facing Product Disclosure

**Version 1.0 | 11 October 2026 · Market: Fort Worth, Texas · Category: Heating, ventilation & air conditioning**

**Offer class:** Domain Only
**Product description:** Domain Only — no developed website included at this time
**Current evidence basis:** Domain-only listing; no website has been supplied for review.

### At a glance

Domain Only — no developed website included at this time. The asset is designed around Fort Worth, Texas and is offered as an existing digital asset, **not as an operating service business or a promise of customer demand**.

### What's in the public demonstration / offered website

**No current website package is included.**

### Site architecture — high-level, non-confidential

| Layer | What it means for the buyer |
|---|---|
| Domain | FortWorthHeatingCooling.com registration rights are transferred through an eligible registrar process subject to the final sale terms. |
| Frontend | Not included. |
| Interactive elements | None. |
| Backend / customer intake | None. |
| Hosting and accounts | Not included. Buyer provides own hosting, credentials, DNS, email/CRM and other needed services. |
| Support | No installation or continuing services unless expressly purchased in writing. |

### Image and media inventory (summary)

No website source, graphics, 3D models, CMS, backend or service-lead workflow included.

**Rights status:** Domain registration rights only, subject to registrar rules, transfer eligibility and third-party trademark rights. Ownership/transfer eligibility must be independently checked at closing.

**Transfer rule:** No media files are offered.

### What is delivered, if this product type is purchased

- The specifically identified domain registration rights through the agreed transfer/escrow workflow, if eligible.
- No developed website, code, technical backend, visual assets or business operating systems.

### What is NOT sold

No developed website, client intake pipeline, hosting, email accounts, customer database, business identity or associated IP outside the domain registration.

### Work required after the purchase

The buyer is solely responsible for creating and deploying any website, mail, hosting, service workflow and lawful business content.

### Claims and important limitations

- Any future WorkEnhance website for this domain would be a separate offer with a new fact sheet; it is not implied by this listing.
- No promise of traffic, search ranking, lead delivery, revenue, cost reduction, originality/exclusivity beyond established rights, availability on all devices, or defect-free code.

- The buyer receives no code or working service form.
- The live demonstration may use an updated or different deployment from the inspected source snapshot. A final handoff manifest and buyer acceptance verification govern the files actually delivered.

## Buyer acceptance checklist

- Confirm domain spelling, current registrant authority and transfer eligibility.
- Confirm the final written purchase schedule and any conditional licence/media disclosures.

## Need a closer technical review?

A redacted component inventory and a controlled technical review may be requested via **https://workenhance.com**. Source code, production endpoint details, credentials, client data and proprietary operational logs are **not** included in this public fact sheet.

**Reference disclosure:** WorkEnhance General Buyer Due Diligence Pack applies, subject to the final signed terms. **Listing price and availability are determined by the live authorized offer and agreed transaction schedule; this dated fact sheet is not a binding price quote.**
